TO WHOM IT MAY CONCERN

Dear Sir / Madam,

RE: RECOMMENDATION- MERU DAVIS NJORGE- BP/111/062G/18

The above named student has completed his undergraduate studies leading to a Bachelors Degree of Garissa University. He was a Computer Science Student in the Department of Computer and Information Sciences, School of Pure and Applied Sciences.

Mr. Njorge was a good student and related to the Lecturers with well-balanced maturity. I believe he is capable of accepting any academic challenge that will demand his ability. In view of the above, I wish to recommend him. You will not regret having him given a chance in your organization. I will be grateful if his application is considered.

Yours faithfully,

Dr. Isalah N. Sitati, PhD

Dean, School of Pure and Applied Sciences
