

## **PERSONAL DETAILS AND CONTACTS**

NAME: DAVIS NJOROGI MERU  
CONTACTS: +254717214046  
EMAIL: [davismeru911@gmail.com](mailto:davismeru911@gmail.com)  
LINKEDIN: <https://www.linkedin.com/in/davis-meru-a5320324a/>

GITHUB: <https://www.github.com/Davismeru>  
WEBSITE: <http://developerdavis.pages.dev/>  
DOB: 7<sup>TH</sup> JUNE 2000  
AGE: 23 YEARS  
ROLE: FULLSTACK DEVELOPER

## **EDUCATION**

- Bachelor of Science in Computer Science, 2018 – 2023, Garissa University.
- Chania High School, Thika, 2014 – 2017, Mean Grade: C+.

## **SUMMARY**

Innovative and creative Computer Science graduate with a passion for technology and computing in general and a keen interest in the field of Full stack development. I've managed to develop a deep understanding on various important concepts such as building interactive (UI) and responsive web designs by doing a lot of coding exercises, building personal projects, actively contributing to open source projects and collaborations with other developers.

## **SKILLS**

- FULL STACK WEB DEVELOPMENT

### **Frontend Languages**

HTML 5, CSS 3, JavaScript-ES7, React 18, React Redux & Redux toolkit (state management), Tailwind CSS, UI design, Mobile Responsiveness

### **Backend**

Node JS, MongoDB, MySQL, Express JS, REST APIs, Git and GitHub, etc.

- HARD SKILLS

Graphic Design, Computer Packages (Microsoft Office), Hardware and Software installation, Creative Writing, Error handling and debugging (both software and hardware), Operating Systems

- SOFT SKILLS

Communication, Problem solving, Creativity, Problem solving, Collaboration, Organization, Curiosity and Analytical reasoning.

## **EXPERIENCE**

### **Industrial Attachment**

Did my industrial attachment at Muruaki High School as an ICT department assistant. Main roles at the institution included computer maintenance, system and software updates, hardware installations,

networking systems installation and maintenance, data entry, updating the school portal and participated in an IT mentorship program as a mentor.

#### Kenya National Bureau of Statistics (KNBS)

Worked as KNBS enumerator during the 2019 census in Kenya where my main role was collect data and upload to the KNBS servers from the Kenyan citizens, used for statistics purposes.

#### Personal Projects

- SummeriseAI – Built this web application that uses Artificial Intelligence to summarize content of any website by just passing the URL of the website. ( <https://summeriseai.pages.dev/> )
- YFLIX – Video streaming platform with a beautiful UI that allows its users to watch and download videos online. ( <https://yflix.pages.dev/> )
- Sweet Recipes – This web application enables its users to search and browse through recipes from all over the world. ( <https://sweetrecipes.pages.dev/> )
- This are just some of the few projects I've been working on. The rest can be found in my GitHub account, <https://www.github.com/Davismeru>.

#### **HOBBIES AND INTRESTS**

- Table tennis
- Photography
- Basketball
- Documentaries
- Artificial Intelligence
